History Of The Opium Problem

Opium trade, in Chinese history, the traffic that developed in the 18th and 19th centuries in which Western countries, mostly Great Britain, exported opium grown in India and sold it to China. The British used the profits from the sale of opium to purchase such Chinese luxury goods as porcelain, silk, and tea, which were in great demand in the West.

opium trade | History & Facts | Britannica.com

The history of opium in China began with the use of opium for medicinal purposes during the 7th century. In the 17th century the practice of mixing opium with tobacco for smoking spread from Southeast Asia, creating a far greater demand.
