Washington has always been a place where power conveys as much prestige as money, or even more. Not to say we haven't also had some great wealth here: The man the city is named for, George Washington, had a fortune that's been estimated at \$525 million in today's dollars, thanks to his 7,600-acre plantation, Mount Vernon.

Family of Barry and Honey Sherman offers reward of up to ...

In economics, hyperinflation is very high and typically accelerating inflation. It quickly erodes the real value of the local currency, as the prices of all goods increase. This causes people to minimize their holdings in that currency as they usually switch to more stable foreign currencies, often the US Dollar. Prices typically remain stable in terms of other relatively stable currencies.

Hyperinflation - Wikipedia
